

DINNER SOCIAL Wednesday, October 17, 2018 Evening at the Cummer Museum

Located in the historic Riverside section of Jacksonville, the Cummer Museum is home to more than 5,000 works of art, spanning from 2100 B.C. through the 21st century. Thought-provoking exhibitions, some of the most important and delightful gardens in Northeast Florida—including a breathtaking sculpture garden—and several special collections enhance the Museum’s artistic offerings.

Idyllically located on the banks of the St. Johns River, enjoy an evening exploring the museum’s permanent collections and upper gardens, featuring lush plantings, reflecting pools, fountains, arbors, antique ornaments and sculptures. Passed appetizers and beverages will be served and strolling musicians will entertain you while you enjoy the gardens, exhibits and fantastic gift shop before dinner. Dinner follows in the Terry Gallery, overlooking the gardens. www.cummermuseum.org
