

Technical Tour | Monday, March 26, 2018

In conjunction with the Spring 2018 IEEE Transformers Committee meeting, Mitsubishi Electric Power Products, Inc. is pleased to host a visit to our headquarters located 25 minutes north of Downtown Pittsburgh on Monday, March 26. There, you will be experiencing the Electrical Distribution Division and High Voltage Switchgear Division's factories that specialize in medium and high voltage circuit breakers. Experience the powerful promise that MEPPi delivers on for all of their customers in quality, reliability, and partnership.
