# SPOUSE/COMPANION TOUR Tuesday, March 26, 2019 Hooray for Hollywood!

Upon arriving in Tinseltown, the day begins with a narrated, private double decker bus tour around Hollywood and Beverly Hills, showcasing the cities' iconic venues. See such places as the famous Chinese Theater, Dolby Theater, Walk of Fame, Madame Tussauds, Hollywood Sign, Sunset Strip, La Brea Tar Pits, Melrose Ave., Paramount Studios, Beverly Hills Sign, Beverly Hills Hotel and more!

Next up is the perfect location for a lunch stop: [Mel's Drive-In](#). Located in the historic Max Factor building, the Hollywood Mel's shares space with the Hollywood Museum, home of 10,000 Hollywood exhibits and artifacts from classic Hollywood to present day movie treasures.

From *The Big Bang Theory* to *Batman* and beyond, the [Warner Bros. Studio Tour](#) takes you behind-the-camera for a revealing look at the magic of Hollywood. Dynamic, engaging tour guides will take our group through backlot streets and sound stages where the biggest names in entertainment made history. After the guided portion of the tour, check out Stage 48: Script to Screen, a new interactive sound stage where you can learn about the production process of a film or TV show, sit on the couch at Central Perk on the actual set of *Friends*, become Hobbit-sized at the forced perspective

special effect table, soar above Hogwarts on a broomstick and much more. Make sure to visit The Archive, with two floors of memorabilia, including costumes and props from the Harry Potter films, before boarding the bus to head back to the hotel.
